ALL-INCLUSIVE PACKAGES

Choose from 3 comprehensive menu options, designed to suit events of all styles & customized to you.

Prices include food, all service, and full open 5hr bar, estimated for 150 guests.

PLATED ***\$275+ TAX**

Consider this Red Table's signature service. You and your guests will begin your evening with a custom-designed cocktail hour, complete with a signature drink menu and passed hors d'oeuvres.

After cocktails, all guests will be seated for plated dinner with multiple courses and fine dining service.

FAMILY STYLE ***\$275+ TAX**

Our increasingly popular family-style service includes our passed hors d'oeuvres, and two to three courses of shared plates.

We love this style of service outside in the open air or tented on a grassy hill top with wild flowers on farm tables.

BUFFET ***\$255+ TAX**

For those who would prefer to bypass seating charts and spend more time mingling, consider our elevated buffet option.

Our buffets offer the same menus offered in family style or plated service. This encourages a high quality yet casual dining experience.

The night begins with a customized cocktail hour and stationed hors d'oeuvres, then, as the party continues, we gracefully provide new stations for guests to find more substantial selections to enjoy.

TESTIMONIALS

We hired Brooke and his team for our wedding. The food is deeeelicious! He incorporated Eastern European food like we asked given we were having a predominantly Polish and Russian guest wedding and everyone loved the food. The service was great and they were very accommodating to our budget and requests.

They had to work with the fact that our venue had no actual kitchen due to it being a raw space but he knew exactly what they needed to make it work. You can tell he and his team love what they do and do it well.

Thank you Brooke for serving up a fantastic wedding!

-Jacqueline

The team from Red Table Catering went above and beyond to make our day perfect and beautiful. Leading up to our wedding, Brooke & David were prompt and professional answering emails and phone calls – even from a different time zone. They worked with our budget and helped us coordinate with different vendors – all of which were spectacular! The food... it's light years away from 'typical wedding food'. It's inventive and delicious and beautifully displayed. All of the staff was so friendly and many of our guests went out of their way to tell us so. These guys know what they're doing – in the kitchen, behind the bar and beyond. Thank you for the most incredible day of our lives!!

<3 Missy & Marco

Amazing food, great staff!

We met Red Table at a wedding fair, which came at the perfect time. We were looking for someone to cater cocktail hour (we had a food truck for dinner) and provide staff for the event, and were having no luck. Red Table worked with us to keep cocktail hour under/at our budget, and were very flexible with the menu.

They also helped coordinate all of our rentals which was such a relief. We got SO many compliments on the food for cocktail hour, and they provided more than enough for our 100 guests, but not so much that I felt like we wasted a lot of food (something that was important to me – weddings are so wasteful). We took home just enough leftovers and had them for NYE the following day. We also received a ton of compliments about the staff. One of my biggest pet peeves at weddings is poor and/or overbearing service, and Red Table provided really lovely people who made everything happen so seamlessly. Would definitely hire them again for any future events I have!

-Brynne E.

The wedding was just spectacular. Everyone raved about the food. Humberto and I were so happy that we got to enjoy the delicious food as well! And the service was excellent. People were very impressed. Everything flowed perfectly as well.
